

reoplan Fiduciary

Looking for a Fiduciary? reoplan is at your service!

Are you looking for a dedicated accountant who doesn't cut corners? Do you desire an independent auditor who can take your business to the next level as a sparring partner? Or do you need an HR specialist for a temporary period? Then you've come to the right place - reoplan. We offer you all the fiduciary services you need - in Thun, Bern, and Zurich. Or right at your location.

Your trustworthy Partner – reoplan Fiduciary

Our clients' daily lives are diverse, complex, and challenging, just like the needs and expectations placed on us. The wide range of services offered by reoplan provides the perfect solution for SMEs, municipalities, administrations, or NGOs: Outsourcing complex bookkeeping permanently? Check. Effective tax advice for individuals and/or legal entities? Absolutely. Temporary takeover of all HR tasks? Anytime.

All these tasks are well taken care of at reoplan Fiduciary. And many more. We are also your single point of contact for questions about outsourcing, business consulting, succession planning, or interim management. Additionally, as an internal or external audit firm, we assess risks and create real added value. We see ourselves as your independent sparring partner and help advance your business.

reoplan – personal, prudent, efficient.

«The reoplan Group is your single source fiduciary and partner at your side.»

Hans Rudolf Haefeli
Chairman of the Board
reoplan Holding AG

Our Fiduciary Services – a selection

- Organizational development

Non-Profit Organizations / Associations

- Controlling
- Professional partner on the administrative or board of trustees
- Infrastructure (cost management)
- Cost accounting
- Fixed asset accounting
- Strategy review/development
- Business process optimization

Fiduciary – digital

- Accounts payable Process: Manage all invoices digitally – from receipt to processing to archiving

The digitalization of one's own business is more central than ever before. It's no longer a question of whether, but how to digitize existing business processes. Digital business processes in all areas directly contribute to the profitability of the entire company. They are clear, unequivocal, transparent, and efficient. Audits can also be conducted more efficiently and easily as a result. With the use of a Document Management System, documents are no longer searched for but found.

The reoplan Group

reoplan was founded in 1987 as a fiduciary company and now has over 30 employees. Flexibility, innovation, and solid expertise ensure satisfied customers all around. In addition to the fiduciary sector, reoplan Immobilien AG in Thun is also part of the group, specializing in property management, sales, and appraisals. The Digital Services division for process management in the real estate and fiduciary sectors complements reoplan's capabilities.
