

reoplan Real Estate

reoplan Real Estate Services

We, the reoplan Immobilien AG, are part of the reoplan Group, specializing in property management, sales, and appraisals. Depending on our clients' wishes and needs, we handle the sale and/or administrative and technical management of residential properties, co-ownership and condominiums, commercial and service properties, as well as business premises and housing cooperatives.

We take care of all administrative processes for you when buying or selling a property and provide advisory support from evaluating a property to completing the purchase.

The primary goal of our property management is to optimize the preservation of a building's value so that you can achieve a market-oriented return on investment in the long term.

The reoplan Group

reoplan was founded in 1987 as a fiduciary company and today has over 30 employees. Flexibility, innovation, and solid expertise ensure satisfied customers all around. In addition to the real estate sector, the group also includes reoplan fiduciary firms in Thun, Bern, and Zurich, as well as the Digital service division for process management in the real estate and fiduciary sectors.

Due to our demanding clientel, our areas of expertise extend beyond just accounting, tax consulting and auditing, and encompass a wide range of specialized fields. Our client base includes small and medium-sized businesses in the industrial, service, trade, and commerce sectors. reoplan specializes in serving public administrations, their subsidized enterprises, home care organizations, non-profit organizations, and retirement and nursing homes.

Whether you are a small or medium-sized enterprise (SME), a municipality, an administration, or a nonprofit organization (NPO), we are here to serve you.
